BOYS’ CRICKET
Our team had a great win to kick off the knock-out competition. Playing Lismore Public, the boys batted first and managed 6 for 87 after our 25 overs. The bowlers did a marvellous job and our fielding was excellent. Lismore could only manage 21 runs for their ten wickets.
Two of our bowlers, Lachlan and Brady almost scored the famed hat trick on the day which would have been a bonus.
Our next game will be against Wollongbar at Rec. 10 on Thursday, 20 March.

3/4M NEWSLETTER FEATURE
3/4M has had a busy term learning about each other. In maths, we have been learning and revising number patterns, addition and subtraction, times tables and time - just to name a few things. We’ve been organising a timeline of our birthdates, which will be displayed above our door, so when you come and visit us, you’ll be able to see it.
Our English class is settling into a routine, which includes spelling, writing, grammar and comprehension. We’ve been talking about bullying and we did some role-plays about how we can approach bullying. We have also been doing art and drawing. We’ve tried drawing Mrs McKenna’s water bottle 4 different ways – without taking our pencil off the page, without looking at the page, from memory and then looking at it. This allowed us to see that everyone can be an artist.
Another art project was to be illustrator for the book “Just an Ordinary Day”. When we read the book and looked at the actual illustrations, we discovered that the story can be interpreted many different ways.
As a stage, we have started out COGs unit about space so we’ve started designing rockets!
RUGBY GALA DAY
Yesterday the Boys’ Under 10s & Under 12s played in the Rugby 7’s Gala Day held at the Lismore Rugby grounds.
The Under 10s won 2 out of 3 matches, narrowly losing their first match. Stand-out players were Sonny & CJ.
The Under 12s narrowly missed being on the top of their pool and were beaten in the semi-final by St Carthages. Stand-out players were Ethan and Danyon.

Five great games to play with the entire family (just to get you started!):
1. Rugby or Soccer – classic games already, everyone knows the basics, but football can be a ton of fun as a family. If there are those playing that shy away from contact, make it a game of two hand tag. Dust off the old ball and forget watching it on the TV, so much more fun live!
2. Badminton – If football is a bit too much for your family, badminton provides a similar experience in a less strenuous arena. Kids, adults and even grandparents can enjoy a fun game of badminton.
3. Horseshoes – This is yet another classic game that can be enjoyed by nearly everyone. The best part about horseshoes is that it provides for conversation and fun all at the same time. When you are waiting your turn you can be spending time with the kids or catching up with your family about their day.
4. Hide and Seek – Although this game is originally a kid’s game, adults can have a fun playing it as well. Set up a specific area to stay within and go back to your childhood. You will be shocked at how much fun this can be.
5. Elastics: – Surely this old game causes memories to surface? You need about 6 – 8 metres of elastic tied at the end to form a circle. Two people stand at each end with the elastic at their ankles, and the others take turns going “in, on, in, out, crisscross, in, over (catching one side of the elastic and taking it across the other), out”. You then progress to the knees, hips, waist, underarms…. Two chairs will do if there are too few people or you want to get some sneaky practice in!

Outdoor games are wonderful because they bring the family together in teamwork, fun and excitement. The exercise you get from running around with the kids is a huge bonus. Although we are in the habit of sitting around after dinner, these games could foster a brand new habit in the years to come. Start a healthy tradition and get outside this year.
