PARENT – TEACHER INTERVIEWS

Interviews will be held over two consecutive Tuesday afternoons in Week 8 and 9. Kindergarten and Stage 1 (Years 1-2) will be held on 15 March, while Stage 2 and 3 (Years 3-6) will be held the following week on 22 March.

At WRPS we value and recognise the partnership between home and school. This partnership is vital to ensure the best educational outcomes for all kids. We have extended the length of interviews this year following feedback of last year’s format, however should you require more time parents can continue to make appointments with teachers throughout the year where need arises.

Please keep an eye out for more specific information and a booking sheet coming home with your child today. Or click here for an electronic version:

Last week our magnificent choir entertained a distinguished audience at the Life Education launch in downtown Lismore. Well done crew!

Our Student Leadership program is up and running for 2016 with an enthusiastic group of school parliamentarians beginning to sink their skills into their new roles and responsibilities. All Ministers and Student Representative Councillors (with the exception of sports captains and school captains who have already received theirs) will receive their badge at the assembly, beginning at 2.10 pm in the hall this Friday afternoon. To learn more about their specific roles, click the photo to the left.

Our debating team were met with many ethical quandaries as they built their skills in preparation for a year of organised arguing. See what they got up to on their day of training.
