**VOLUNTARY CONTRIBUTIONS (SCHOOL FEES)**

The payment of these voluntary fees is fully endorsed by Wyrallah Road P & C Association. Our School does not gain additional funding from the NSW Government. Therefore, in order to offer the following listed activities and resources: **reading resources, library books, classroom consumables, texts, sporting equipment, student award scheme prizes, drug & environmental education, poetry, art and science**, it is essential that all families endeavour to pay the school contributions.

We are looking to purchase more 'Smart Boards' this year, which will add tremendously to our teaching/learning programs and move our classrooms into the 21st Century.

If you are unable to pay in a single payment, you are welcome to pay the contribution by instalment.

LIFE EDUCATION 19/3 – 30/3

The Life Education van will be visiting our school on the above dates. It is essential that ALL students attend to gain the most from this program. Life Education has set the fee at \$7 per student (with NO family concession).

Our P&C Association, realising the importance of this program, have agreed to subsidise the amount of \$2 per student. Therefore we ask you to pay \$5 per student. This is a great gesture from our P&C and every family will benefit.

COMMUNITY NEWS:

How would YOU spend \$30,000?

The Minister for Youth has announced the NSW Government has \$30,000 to spend on youth activities and projects in the central, mid and far north coast areas. The best bit? They want to find out where you want the money spent! Log on to www.yourspin.com.au and vote for where you want these funds to go to. Featuring interviews with local youths, the website creates an opportunity for kids to have a say about their community. The Your Spin initiative – the first of its kind by Government in Australia – also plans to employ popular social networking sites such as Myspace, Bebo and YouTube to attract interest to the site. So spread and word and have your spin!
