HEALTHY LIVING INFORMATION

BE ALIVE BETWEEN 3 TO 5

Encouraging children to be active in the afternoon is a good stress release for children as well as helping keep them physically active.

DRINK WATER TO QUENCH A THIRST

Water makes for the healthiest drink for both adults and children. It is cheap, doesn't add extra kilojoules and thirst quenching. Aim for between 5 to 8 drinks of water a day.

VOLUNTARY CONTRIBUTIONS

Blank forms available at the office.

We really appreciate your payments!

BUS SAFETY

We ask parents to please speak to their children about safety when getting off school buses.

We have had a phone call from a bystander that witnessed children from our school running through traffic on Wyrallah Road after alighting from the school bus.
