HEALTHY LIVING INFORMATION

Devise a healthy snack list with your child. Post it on the fridge. Use the list to choose snacks for packed lunch and food for afternoon tea.

Limit the availability of "liquid calories" such as soft drink, fruit drinks, cordials and other sweetened beverages. Water and milk are good choices.

Congratulations

CRICKET

The team played Clunes on Friday and were successful in scoring 6 for 96. Clunes managed 4 for 64 and gave the fellas a good run for their money. The team fielded and bowled the best they have all year and showed excellent sportsmanship.

Today we travel to Byron Bay to play the final of the North Coast 1 segment of the state knock-out. Hopefully next week's newsletter will have more good news!

STUDENT BANKING

A reminder to all students and parents that student banking takes place every Friday. Application forms are available from the school office for anyone wishing to commence student banking. Also, **anyone interested in volunteering to help with student banking**, please leave your name and contact number at the front office.

DANCE WORKSHOPS - K, 1 AND 2 (MODERN AND HIP HOP)

A great response to the workshops, thank you also for your positive comments. This is just a last minute reminder for any parents who have not yet sent their note back for their child to be involved. I have spare notes that would need to be sent back as soon as possible. Now that we have approximate numbers, we will negotiate times with the dance teachers and classroom teachers and let you know shortly. The children are obviously keen to get underway. So far we have 141 children out of 214 involved and I can't thank you enough for your support for this program. Thanks again, I know we're all going to enjoy it.

WRPS FAMILY FUN DAY

Our school is having a Family Fun Day next year 2010 as our major fundraiser! For this to be a great success we need your support. Do you, your family, friends or associates have any great ideas or skills that you can contribute on the day? e.g. face painting, musicians, sign writing, rides, baby animals, plants to sell (start planting now), helium balloons, clowns, sponsorship/donations, photography, publicity, security, first aid or other wonderful talent. These are just some ideas. We need you to contact us as soon as possible or complete the form attached and return to the office before 16th November, 2009 so that plans for the day can be made. Our preference is to use school community first before outsourcing to other local groups. We really want this to be a HUGE success and a fun day for our children and everyone involved.
